

WR

The image features the letters 'WR' in a gold, serif font with a red outline. To the right of the 'R' is a large, flowing red flourish that loops back. Below the letters are several parallel, wavy gold lines that sweep from left to right, creating a sense of motion and depth. The entire design is set against a light yellow background.

PRIVATE SHOW FOR FAMILIES

Encounter a unique journey back to the times of W.A. Mozart and the Johann Strauss Dynasty!

We want you to really come close to the beautiful melodies and fascinating history of Viennese Classic.

PALAIS AUERSPERG

In the famous Palais Auersperg - which is also rich in history as for classical composers and performers, culture and politics - our host welcomes you and your beloved ones to an enjoyable afternoon full of surprises.

During the 45min. program with 2 singers and 2 ballet dancers you will discover interesting stories about Mozart being a little child and later on a sometimes not so obedient servant of the very strict archbishop.

You will also hear about young Johann Strauss when he tried and succeeded to become a Pop Star of his time.

You and your family will be listening to very well-known oeuvres of these two composers, but also explore funny pieces you have never heard of.

Our show will be interactive – you may play, sing and even dance with us.

After the concert you and your children are invited to a glass of champagne or orange juice in the beautiful private park of the Palais.

There you may talk to the performers or you can take the chance to try out our instruments!

TAKE YOUR FIRST STEPS!
